

Loan A Little. Change A Lot.

**“ My daughter is happy.
That’s all I need. ”**

Until a year ago, Parameswaran used to carry his young, disabled daughter into the fields everyday so she could relieve herself.

Thanks to a loan raised through Milaap, Parameswaran was able to build a toilet at home.

Now with access to proper sanitation at home, his family is able to live a **healthy, comfortable life.**

Parameswaran is a happier man today.
